Timed Socket

Practical,
functional,
effective.

- 1. Start/Stop
- 2. Display
- 3. Fixed socket for domestic use

The timed socket allows users to operate their own hair dryer or other personal accessories through a 220 V power outlet.

The socket is equipped with an **RFID** reader for the **Start/Stop** operation of connected devices and a practical display.

Activation by card or wristband.

A - Service time.
B - Pause time.

Presa Energetic Freshness

A B

IMPORTANT

The socket is equipped with a safety system that disconnects the power supply if the maximum absorption threshold set by the facility manager is exceeded.
